Code of Best Practices

We understand that, as an Allianz Life appointed financial professional, you share our desire to build long-standing relationships of trust with the clients who purchase Allianz Life products. Together we help clients feel confident that they are buying a product they understand and believe is right for their situation.

When marketing Allianz Life products, we are committed to the following best practices:

Suitability

The recommendation of a financial solution must be based on the client's individual needs and financial objectives:

- Record and file the information you gather from the client, as well as your recommendations.
- Thoroughly understand the product you are describing and how it serves your client's unique financial situation and objectives, which includes, but is not limited to:
 - An analysis of their income and expenses
 - Understanding their financial goals
 - Assessing their tolerance for risk

More information: Please refer to the Allianz Life Agent Guide to Annuity Suitability, the Compliance Guide to Successful Business, and the Suitability eLearning module.

Replacement

The recommended replacement of an existing product must be based on the replacement product's ability to better suit the client's current financial situation and goals.

- Fully explain the benefits and costs of replacing the client's existing policy.
- Provide an impartial assessment of the comparative benefits and restrictions of both policies.

- Maintain accurate records that reflect the key issues you discussed with your client regarding the comparison of both products. This includes, but is not limited to: surrender charges, expenses, guarantees, and historical renewal rates.

More information: Please refer to the Compliance Guide to Successful Business and the Replacement eLearning module.

Disclosure

Your clients need a full, unbiased explanation of their options to make informed decisions.

- Provide your clients with full and accurate disclosure about any Allianz life products you recommend. Although these disclosures are included with the marketing and sales materials, disclosure is not just about providing brochures and other documents that you hope your clients read. You need to be actively involved, leading a discussion and checking for client understanding.
- Ensure that your client reviews and signs the appropriate disclosure documents at the time they purchase an Allianz life product.

More information: Please refer to the Compliance Guide to Successful Business and the Disclosure eLearning module.

Other Allianz Life Policies

Allianz Life expects that you understand and comply with all Allianz Life business requirements as outlined in the Agent Guide to Annuity Suitability, the Compliance Guide to Successful Business, the eLearning modules, and all other Allianz Life communications.

By agreeing to follow these practices, we can earn and keep the trust we build with our clients.

By signing the agent application, you agree to adhere to the Allianz Life Code of Best Practices.

Associate Field Marketing Organization Addendum

This addendum supplements and is part of the agent agreement (the agreement) between **Allianz Life Insurance Company of North America** ("the Company, we, us, or our") and you as the Company's agent, pursuant to which you solicit applications for insurance, annuities and other contracts including riders (the policies).

1. Appointment as Associate Field Marketing Organization

The Company appoints you as an Associate Field Marketing Organization (AFMO) to represent us in accordance with your agreement and this addendum. This appointment is made based on your representation to us and your continuing agreement that the Field Marketing Organization (FMO) named on the reverse side is the only organization that will receive override commissions in respect of policies sold by you or agents in your hierarchy. There are no exclusive territories. Your territory is any state in which you and your agents are properly licensed and appointed with the Company.

2. Associate Field Marketing Organization responsibilities

As an Associate Field Marketing Organization, it is your responsibility to:

- a. solicit applications for policies described in the schedule of commissions and commission guidelines through the agents in your hierarchy,
- b. recruit general agents to operate general agencies for the solicitation of policies by agents in their hierarchies,
- c. exercise proper supervision to assure the faithful performance of their agent agreements by the agents in your hierarchy,
- d. provide training and support to the agents in your hierarchy,
- e. pay agents under license only agent agreements pursuant to compensation understandings with the agents, and indemnify the Company from any loss, including attorneys' fees and expenses, which it may incur in connection with the license only agent agreement or your failure to pay compensation, and
- f. repay in full the amounts owed the Company by the agents in your hierarchy upon termination of their agent agreements (you are responsible for collection from the agents in your hierarchy).

3. Recruiting and production requirements

At the date of your appointment as an AFMO, you must have recruited a minimum of five general agents and you must have earned a minimum of 1,000,000 Combined Production Credits (CPCs) for business produced by you for the Company. In order to maintain this addendum, you must annually recruit a minimum of five sub agents and earn a minimum of 1,000,000 CPCs.

Recruiting and production will be monitored closely by the Company and your FMO. If recruiting and production requirements are not met on an annualized basis commencing six months after the date of this addendum or any time thereafter, you may receive notice and a 90-day period in which to achieve compliance, after which your commission level may be reduced to that of a general agent.

4. Company rights

The Company has the rights to:

- a. enter into agent agreements with and appoint the persons you propose to include in your hierarchy,

- c. collect from you the unpaid charges, fees, and other amounts due us from the agents in your hierarchy as specified in your agreement and our rules, and
- d. transfer any agent in your hierarchy to another hierarchy at the sole option of the Company and without restriction on commission rate in the event that
 - (i) your agreement has been terminated for cause,
 - (ii) transfer is permitted under paragraph 4.h of the agent agreement,
 - (iii) you have resigned,
 - (iv) you have died and there is no arrangement with a business partner to take over support of your agents,
 - (v) your license has not been renewed or has been terminated by a regulatory authority,
 - (vi) you are not locatable,
 - (vii) the Company has determined that circumstances prevent you from providing expected support to your agents including, without limitation, by reason of regulatory investigation or penalty,
 - (viii) an agent formerly in your hierarchy has not been under contract with the Company for at least six months.

5. Commissions

Except for agents in your hierarchy who are under license only agent agreements, the Company will pay commissions directly to your agents according to the applicable schedule of commissions and commission guidelines. By making such payments, the Company will discharge its obligations to you and to the agents in your hierarchy to the extent of such payments. Commissions due your agents will not revert to you. All override commissions on policies sold by agents in your hierarchy prior to the termination of your agreement are vested unless your agreement is terminated for cause; vested commissions will be paid until total annual commissions are less than \$500, at which time the Company may pay the present value of all future commissions. The company is not responsible for payment of commissions to any agent in your hierarchy who is under a license only agent agreement.

6. Termination

For a period of one year following termination of your agreement, the Company will not enter into any agent agreement with your former agents at a higher schedule of commissions than the schedule in effect at the time of termination, provided that this prohibition will not apply in the event that

- (i) your agreement has been terminated for cause,

With respect to the agents in your hierarchy, you jointly and severally with your FMO unconditionally guaranty the full and faithful performance of each and every obligation of those agents under the agent agreements, including any applicable addenda. In the case of an agent contracted individually who subsequently becomes a principal in an entity, your guaranty applies to the entity; in the case of an entity that ceases to exist for any reason, your guaranty applies to the principals of the entity. You waive notice of acceptance, presentation, protest, and any other notice with respect to the obligations you guarantee. Furthermore, you certify that you have investigated the character, general reputation and background of the agents you recruit and that you are satisfied that the agents are trustworthy and qualified to act as agents for the Company.
